

When you buy a door...you're not just buying a door. You're buying the company behind the door.

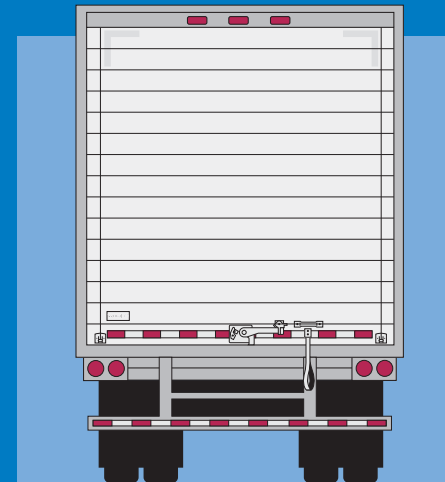

Whiting Premium Quality
The world's first (1953)
Now better than ever.

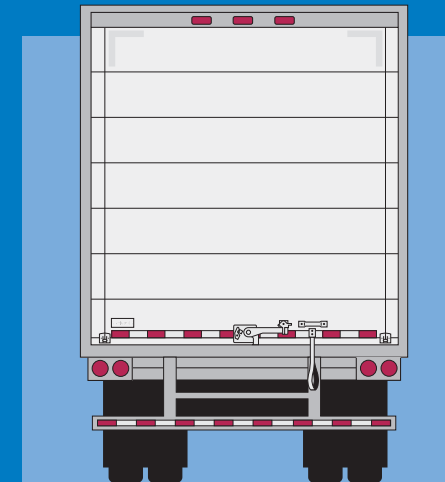

Whiting ColdSaver®
Quality roll-up for temps
below 20°F/-7°C.

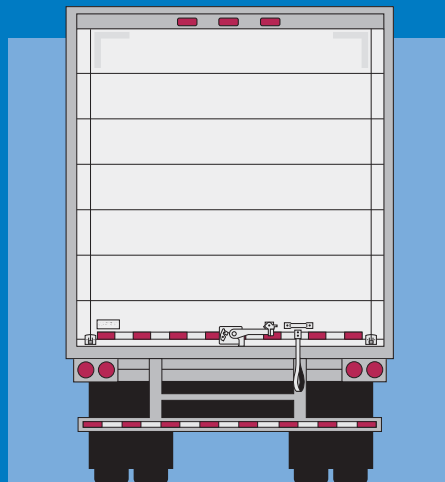

Whiting TempGuard®
Quality roll-up for temps
above 20°F/-7°C.

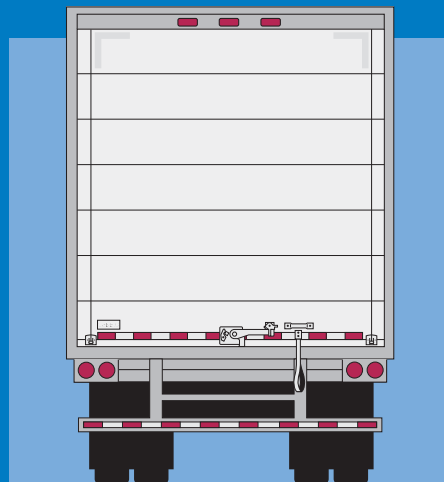

Whiting Hingeless Truss
Tough, smooth aluminum surfaces
inside and out.

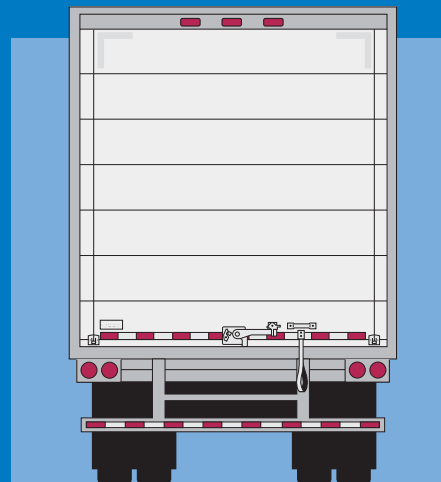

Whiting Hinged Truss
The only door that will
actually outlive your vehicle.

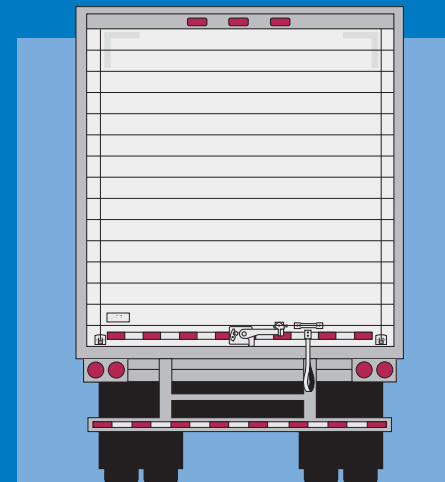

Whiting EuroCEL
No wood. No hinges.
No problems.

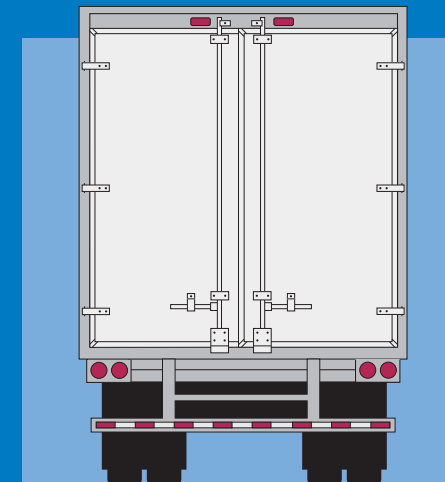

Whiting PremiumPlate
Composite plate technology
in a quality roll-up door.

Whiting CargoGuard®
The door designed to end
freight hang-ups.

Whiting Single Wall Aluminum
A tough door, the favorite of
the beverage industry.

Whiting Sea-Lok® Swing Door
The world's highest quality
plymetal doors.

**Three generations – family business – here to stay. We'll be around to backup what we sell.
Whiting Doors. The standard of quality for the transportation industry since 1953.**

**The Standard of Quality For The
Transportation Industry Since 1953.**
