

The road to unnecessary maintenance costs...

...is paved with “cheap” knockoff parts.

When you specify Genuine Whiting OEM Parts for your Whiting Roll-up Doors, you know you're getting what you paid for. Top quality design, engineering and precise manufacturing to the highest standard of quality. And that's a fact. When you settle for less...vis-a-vis knockoff parts, you get less of everything...except aggravation. Nothing works quite like an original.
