

**Whiting
builds a Roll-up door
to fit every
truck and trailer body
on the road
from walk-ins to reefers...
and everything in between.**

No matter what your requirements, WHITING has the quality built truck or trailer doors to meet your specific needs...and Whiting doors are QUALITY BUILT with outstanding safety and convenience features.

WHITING QUALITY doors are designed for ease of installation, trouble-free operation and MAXIMUM LENGTH OF SERVICE, with little or no maintenance.

WHITING QUALITY DOORS...the standard of quality for the transportation industry.

All Whiting door hardware is E-COATED in our own facilities to give the highest level of corrosion resistance... greater even than galvanized.

- Custom sizes, colors, finishes and other specifications on request.
- WHITING QUALITY parts are available from stocking distributors in all major cities.
 - Next day shipping for most parts.

WHITING

ROLL-UP DOORS ARE BETTER FOR YOUR TRUCK OR TRAILER BECAUSE...

...They've Got The
Finest Hinge
In The Industry!

No other hinges measure up to Whiting. They're practically maintenance-free. They're E-COATED*.

These quality hinges are *another*
Whiting exclusive.

Whiting hinges are designed
and manufactured to give years
of trouble-free service.

- Eliminate high maintenance costs common to other hinge types.
- Highest tensile strength steel.
- Surface mounted to avoid cargo hang-up.
- Hardened and Cadmium-plated.

Heavy duty Nylon rollers.

- Factory greased.
- Designed for easy roller replacement.

*All Whiting hinges are E-COATED to automotive quality specifications.
